Summer Events at SLORRM

SLORRM has been busy hosting meetings, mixers and tours. As you can see above, we had a tour for Daisy Girl Scouts, led by Glen Matteson. The girls had a great time

ringing the bell, getting quizzed on rail safety, and finding items on their Museum scavenger hunt. Glen was presented later with thank you cards that the girls drew themselves, showing details of the Museum equipment. What a sweet group! Hope we see them again some day, maybe when they're full Girl Scouts.

Next we had the RailPAC group, along with SLOCOG guests, who had their convention kick-off mixer at the Museum. It was fun for all and a great chance to meet and greet people interested in the future of our Museum.

Finally, we want to thank the ATHS Truck Group who had their meeting and tour at the Museum. Jim Trask is a member of the group and also a docent in our Museum, so he arranged the meeting and led the tour himself. He also created the wonderful artwork that sits in front of the Museum. One of those Renaissance men! Many thanks to the group for their generous donation.

The fun doesn't end there. We have multiple events coming up.

~On Saturday, 9-6-14, we have a Work Day, so feel free to show up between 9am and 1pm. We have lots of jobs to be done.

~On that same day, we have the Porsche Car Club Tour hosted by Curtis Reinhardt. The tour will last from 2pm to 3:15pm. Thanks, Curtis!

~Tuesday, 9-9-14, we will host the Wild Bunch Tour from 11am to noon. These ladies sound like a fun group.

~Saturday, 9-13-14, is our next Open Day. Our hours are 10am to 3pm. We can use some extra docents for this day.

~Thursday, 9-25-14, we will have the Red Hat Society Tour from 10:45am to noon. We will have to take pictures of this group, for sure.

~Saturday, 9-27-14, is an Open Day, and we are in need of docents. Some of our regular docents will be working on the train at Santa Margarita Ranch for Savor the Central Coast, so we really need others to help us out.

Thanks for all your interest and help.
