### PACIFIC COAST RAILWAY EXHIBIT

Join us on Friday evening, August 7th, at the San Luis Obispo History Center in the beautiful old Carnegie Library near the Mission in downtown SLO. That evening is

SLO's Art After Dark event and will be the official opening of SLORRM's visiting exhibit on the historic Pacific Coast Railway. Andrew Merriam has put countless hours into designing this beautiful exhibit which will present vignettes of what life was like and why a railway from Avila to San Luis made a huge difference in the development of the town and, eventually, the entire county. The exhibit will stay in the History Center through the end of October.

## PARTIES AT SLORRM

We welcomed SLO Symphony partiers, who had a lovely soiree on La Cuesta. The weather was beautiful and the company was even better.

And, thanks to all the tourism professionals who attended SLORRM's recent Familiarization Mixer. To prepare for our newly expanded schedule and fall events, we invited people to come take a look at our venue. You, too, can have a party on the platform or in our La Cuesta lounge car or rent indoor space for your next company meeting. Thanks to Pomar Junction Winery, Central Coast

Brewing and Gus's Grocery for the wonderful food and drink.

## EVENTS COMING SOON

### NEW EXPANDED SCHEDULE

Starting in September, we will be open every Saturday. We have worked hard to expand our hours and are very excited about it. If you would like to join our Museum family and help welcome people one or two days a month, please contact Diane at [media@slorm.com](mailto:media@slorm.com). We would love your help to keep our new schedule permanent.

### CENTRAL COAST RAILROAD FESTIVAL

The Festival will be happening at the Museum and in other venues around the Central Coast during the first weekend of October. There will be model trains, railroad art exhibits, talks about local citizens and their involvement in railroads, a swap meet, and so much more. Watch here and at [slorm.com](http://slorm.com) for more details.

### HOLIDAY ACTIVITIES

Keep watching for announcements regarding our upcoming festivities. We'll be decorating the museum in holiday fashion, setting up festive model trains and serving treats for the whole family.

**MEMBERS:** If you are a friendly, outgoing person, we would love to have you as a docent at the Museum. A few hours of your time once or twice a month can make a big difference. You don't have to be an expert on trains. More important is the desire to share our facility with the families, travelers, and railroad fans who come to our Museum. Contact Diane at [media@slorm.com](mailto:media@slorm.com) if you can join us.  
Thanks!
