# CCRRF - Online Auction

OCTOBER 6 THROUGH 8, 2023

Once again we will gather together at the San Luis Obispo Railroad Museum and throughout the Central Coast to celebrate trains. See what's new at the Museum, go on the model railroad tour and enjoy mixing with other rail enthusiasts. Find treasures at the railroad swap meet and enjoy the presentations inside. And don't miss seeing the photos that win the 2023 Photo Contest. Visit [www.CCRRF.com](http://www.CCRRF.com) for all the details. We hope to see you there.

Online Auction -- Last year's auction funds went to getting the Southern Pacific Railroad box car exterior finished and moved over to the museum's display track. A big thank you to all who participated.

Join in the fun this year to raise funds for getting construction started on this SP box car's **interior exhibits** and **ADA access**. This will get us ever closer to creating "The People of the Southern Pacific Railroad, Central Coast" exhibit which will honor the men and women of the SPRR who worked here on the Central Coast, especially those who gave their lives working on the railroad.

The Online Auction opens on September 1, 2023 and closes on October 6, 2023 at 5 pm PDT. The auction includes railroad-themed items from quilts to memorabilia to railroad experiences across many value ranges. Pick up your auction item(s) at the Museum on

Saturday October 7 by 4 pm, or by arrangement at [media@slorm.com](mailto:media@slorm.com).
